This can readily be done for the gentleman whose statement is published below will only be too pleased to answer any communications mailed to him if the writer really suffers from the annoying consequence which always attend inactive or weakened kidneys.

A. Gum Jr., Cleveland, Ky., says.

"I was laid up with kidney trouble for unamber of days and it was only with the greatest difficulty that I could move in any manner. When I was able to be up I found it hard to bend over on account of the 'great pain' that this action caused. I heard of Doan's Kidney Pills and procured a box, and after taking him as hort time was greatly surprised to find that they benefited me. I continued taking them an short time was greatly surprised to find that they benefited me. I continued taking them and soon I was up and about as well as I ever was. I cannot praise Doan's Kidney.
